New Nursery in Pirbright

It is with great joy that I announce the opening of a new nursery in Pirbright directly opposite the duck pond on the village green.

Towards the end of last year what was the Pirbright Social Club came onto the market and we were successful in securing the purchase of the site. The building which is fundamentally a big hall with a number of annex rooms is ideally suited for conversion to nursery use. The property also benefits from a play area to the rear and extensive car parking.

"Building work started as soon as the ink was dry on the contract and I am delighted with the progress that has been made. The

new nursery looks absolutely superb and I am sure it will be a great setting for both the children in our care and for our team on site" Nigel Rolfe, Managing Director.

We are also delighted following the loss of our

training room last year the new building which has a second floor is ideally suited to become our own internal training and development centre.

The new nursery, "CherryWood" will be opening in February this year and has already generated a great deal of interest from local residents and commuter traffic using Pirbright as a cut through route.

Congratulations to Anne-Marie

Anne-Marie joined us in June 1999 as a Modern Apprentice at CherryBrook. She gained her Level 3 qualification working her way up the ladder managing CherryTown in 2004 and became Manager at CherryVale since January 2007. CherryVale is our largest nursery.

Anne-Marie will be going on maternity leave at the end of March to have her second child which is due in April.

As a consequence there will be some changes to the management structure at CherryVale with Lucy Harding (see below right) pro-

moted to Manager with Wendy Martin returning from CherryTown and promoted to the position of Nursery Supervisor. In addition, I am also pleased to announce Kara Hill is also promoted to Nursery Supervisor From the 1st March.

Congratulations Anne-Marie and we would like to wish you and your family the very best and look forward to your return.

Manager role for Lucy

With the pending departure of Anne-Marie on maternity leave we have taken the opportunity to promote Lucy Hardy to the position of Manager at CherryVale.

Lucy has been the Deputy Manager at CherryVale for the past 6 years and has been with Cherry Childcare

since 1998. Lucy is a highly experience deputy having often covered for Anne-Marie during periods of absence and will continue to ensure CherryVale provides the highest standards of childcare.

Well done Lucy!!

New Assistant Manager at CherryTown

With the appointment of Cheryl Lewis as Manager at CherryWood it has created an opportunity for one of our bright young stars to move forward in the company.

We are delighted to announce the promotion of Donna Avery to Assistant Manager at our CherryTown Nursery from the 1st February Donna who has been with us for the past 4.5 years has been a key part of the management team at CherryVale and her promotion is well deserved.

Donna I am sure will be missed by both children and parents at CherryVale but, I am confident she will quickly settle into her new position and provide great support to Emily at CherryTown.
