Discretionary Sick Pay

Even a superhero can have an off day and need a bit of TLC.

The company can provide additional days for those that are signed off sick. Subject to a minimum of three years' service, discretionary days are capped at five days in any rolling 12-month period. Even more after 10 years service.

Pension

Even superhero's have to retire at some point. We contribute towards a workplace pension for all team members in line with government guidelines.

Even Superhero's need a pat on the back and a thank you for their hard work and commitment.

All team members are eligible for our rolling rewards programme "Superhero Rewards". In partnership with Red Letter Days, you could win or accumulate rewards to use for a day out or experience of your choice.

Annually we also have our Awards evening. This is a great opportunity for us all to meet up and reward those superheroes who have gone the extra mile over the year, those who have been nominated by our parents, long service and plenty more!
